

# CYMBIDIUM LOVERS

Would you like to know more about *Cymbidiums*? Then why not join a friendly and helpful *Cymbidium* club or society.

The Cymbidium Club of Australia Inc, meets on the second Thursday of each month (March to November) at the Lakemba Chapter Remembrance Hall, 220 Lakemba Street, LAKEMBA Sydney NSW commencing at 8.00pm.

The objective of the club is to improve the standard culture and hybridizing of the *Cymbidium* Orchid – “the King of Orchids”

The *Cymbidium* Orchid is one of the hardiest outdoor plants grown in the southern hemisphere. Visitors are most welcome to our monthly meetings where we present beautiful orchids and programmes that are varied and educational.
